Bonded Warehouse Firearm Storage Services *

New England Ballistic Services will store, at no cost to police, privately-owned firearms and accessories which have been confiscated or surrendered to police for any number of reasons:

- ◆ Restraining order
- ◆ License revocation or suspension
- ◆ Statutory disqualification
- ◆ Voluntary storage by owner

Offsite storage relieves departments of the expense burden, excess space requirements, and man-hours which could be allocated elsewhere. Potential liability, due to the loss or damage of valuable personal property, is also minimized.

Police departments retain control of all property. Frequent consultation and periodic reports keep departments informed of the status and disposition of firearms in storage.

* Firearm Storage Services provided where allowed by state law.

Firearm Consulting Services for Law Enforcement Agencies

New England Ballistic Services can assist law enforcement with the following services:

Emergency services available: We are available when you need us; 24 hours per day, 7 days per week.

Crime gun identification: Expert make, model and caliber determination; quick location of serial number.

Test and evaluation of weapons and ammunition: We can help police acquire and test different types of ammunition and firearms.

Tactical supplies: We provide the most modern, high-tech tactical gear available from cutting-edge manufacturers; EOTech, Magpul, BLACKHAWK!, Sig Sauer, Glock and more.

Police Equipment and Firearm Trade-in, Purchase and Disposal Services

New England Ballistic Services offers the following additional firearm services to police departments:

- ◆ Trade-in* of outdated and surplus police equipment, firearms, and ammunition.
- ◆ Disposal/destruction of police-owned firearms, “buy-back”, abandoned, turned-in, and other weapons and ammunition.
- ◆ Cash purchase of privately-owned firearms and accessories.

Police departments can take advantage of these resources to obtain equipment and supplies which might not be available to them within the restraints of their annual budget.

Please call for more details on how we can help your department.

* Trade-in toward revolving credit account for future department equipment purchases of your choice.
